

Game 11

Angry Plants

By Haochen Tu

STORY

A long time ago, **Sunflower Gods** were the ones produced all the sunlights for **plants** to grow and survive. But there were only three sunflower gods left on the Earth so plants turned angry and they want to keep the Sunflower Gods to their own. **You**, the leader of the fearless **animal warriors**, swore to protect Sunflower Gods, till forever.

CONTROLS

Use mouse to drag and drop animals from the bottom to the battlefield to protect Sunflower Gods.
Skulls mean animals are in danger.
